Verified on 28.1.21

162 Forms from 365 properties = 44% return

9%	In favour of a development of up to 60 houses as per application
2%	In favour of the development but only if small no. of houses
3%	Did not vote for or against the proposal, but indicated a small development would be acceptable
67%	Against any development at all
18%	Against the proposed development as per the application, but would accept a small development (some just 6 units and affordable units only)
1%	No strong feelings either way

Hence 37 (22%) would not be opposed to a smaller development; an average of 18 houses
